

## **Go your own way** (Buckingham)

Loving yo-u

Isn't the right thi-ng to do

How can I-i

Ever change thi-ngs that I fe-el?

If I cou-ld

Maybe I'd give you my world

How can I-I

When you won't ta-ke it from m-e?

**Chorus:**

You can go your own wa-y

(Go your own w-a-y)

You can call it

An-o-th-er lonely da-y

You can go your own wa-y

(Go your own way)

Tell me wh-y

Everything turned around?

Packing u-p,

Shacking up's all you wanna d-o

If I cou-ld

Baby I'd give you my world

Open u-p

Everything's wa-iting for y-ou

**Chorus**

**Guitar solo**

**Chorus**

(another lonely da-y)
