

## **My Girls**

There isn't much that I feel I need  
a solid soul and the blood I bleed.  
But with a little girl, and by my spouse  
I only want a proper house

I don't care for fancy things  
Or to take part in a pressured race.  
But to provide for them when they ask  
I will, with heart, on my father's grave

On my father's grave

I don't mean  
To seem like I care about material things,  
Like our social status,  
I just want  
Four walls and adobe slabs  
For my girls – woo!
