

Team (Yelich-O'Connor/Little)

Wait 'til you're announced
We've not yet lost all our graces
The hounds will stay in chains
Look upon your greatness
And she'll send the call out, send the call out (x15, drums at 8)

Call all the ladies out, they're in their finery
A hundred jewels on throats, a hundred jewels between teeth
Now bring my boys in, their skin in craters like the moon
The moon we love like a brother, while he glows through the room

Dancin' around the lies we tell, dancin' around big eyes as well, ah
Even the comatose, they don't dance and tell

Chorus:

We live in cities you'll never see on screen (cities)
Not very pretty, but we sure know how to run things (not very, not pretty, we know how to run things)
Living in ruins of the palace within my dreams (ruins)
And you know, we're on each other's team (and you know, and you know, we're on each other's team)

I'm kind of over getting told to throw my hands up in the air, so there

So all the cups got broke, shards beneath our feet, but it wasn't my fault
And everyone's competing, for a love they won't receive
'Cause what this palace wants is release

Chorus

I'm kind of over getting told to throw my hands up in the air, so there
I'm kinda older than I was when I revelled without a care, so there

Chorus

We're on each other's team
And you know, we're on each other's team
We're on each other's team
And you know, and you know, and you know
