

The Passenger – Iggy Pop

I am the passenger and I ride and I ride
I ride through the city's backsides
I see the stars come out of the sky
Yeah, the bright and hollow sky
You know it looks so good tonight

Get into the car
We'll be the passenger
We'll ride through the city tonight
We'll see the city's ripped backsides
We'll see the bright and hollow sky
We'll see the stars that shine so bright
the sky was made for us tonight

Singing la la la la la la la la....

Oh, the passenger
How, how he rides
Oh, the passenger
He rides and he rides
He looks through his window
What does he see?
He sees the silent hollow sky
He sees the stars come out tonight
He sees the city's ripped backsides
He sees the winding ocean drive
And everything was made for you and me
All of it was made for you and me
'Cause it just belongs to you and me
So let's take a ride and see what's mine

Singing la la la la la la la la....

I am the passenger and I ride and I ride
I ride through the city's backsides
I see the stars come out of the sky
Yeah, the bright and hollow sky
You know it looks so good tonight

Singing la la la la la la la la....
Singing la la la la la la la la....
