

## **Umbrella (The-Dream, Christopher Stewart, Kuk Harrell and Jay-Z,)**

You see you have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star  
Baby cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you I'll always share  
Because

When the sun shines, we'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath I'll stick it out till the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella  
Hey, hey, hey  
Under my umbrella  
Hey, hey, hey  
Under my umbrella  
Hey, hey, hey  
Under my umbrella  
Hey, hey, hey

These fancy things, will never come in between  
You're part of my entity, here for Infinity  
When the war has took it's part  
When the world has dealt it's cards  
If the hand is hard, together we'll mend your heart  
Because
