

Big in Japan – Alphaville (Lloyd, Gold, Mertens)

Winter's cityside
Crystal bits of snowflakes all around my head and in the wind
I had no illusions
That I'd ever find a glimpse of summer's heatwaves in your eyes
You did what you did to me, now it's history I see
Here's my comeback on the road again
Things will happen while they can
I will wait here for my man tonight, it's easy when your big in japan

Refrain

When your big in japan, tonight
Big in japan, be tight, big in japan ooo the eastern sea's so blue
Big in japan, alright, pay, then I'll sleep by your side
Things are easy when you're big in japan, oh when you're big in japan

Neon on my naked skin
Passing silhouettes of strange illuminated mannequins
Shall I stay here at the zoo
Or should I go and change my point of view for other ugly scenes
You did what you did to me, now it's history oohhh you see
Things will happen while they can
I will wait here for my man tonight, it's easy when your big in japan
