

I think we're alone now (Cordell)

Children behave, that's what they say when we're together
And watch how you play
They don't understand and so we're

Running just as fast as we can, (*running, running, running, run*)
holding on to one another hands (*holding, holding, holding, hold*)
Trying to get away into the night and then you put your arms around me (*ah,ah-ah,ah,ah*)
And we tumble to the ground and then you say

Chorus:

I think we're alone now,
There doesn't seem to be anyone around
I think we're alone now,
The beating of our hearts is the only sound

Look at the way we gotta hide what we're doin'
'Cause what would they say
If they ever knew and so we're

Running just as fast as we can, (*running, running, running, run*)
holding on to one another hands (*holding, holding, holding, hold*)
Trying to get away into the night and then you put your arms around me (*ah,ah-ah,ah,ah*)
And we tumble to the ground and then you say

Chorus x2 (*alone now...*)
