

Tilted (Letissier, Stebbing)

Intro:

High: ba-ba sh! Ba-ba-ba-ba-ba

Alto: bap-bap, bap-bap-bap-bap ha! ha!

Low: ah ah-ah, ah-ah, ah-ah ha! ha!

Verse 1:

Middle and low: I'll die way before Methuselah **High/alt:** as intro

So I'll fight sleep with ammonia

(High/alt in harmony): And every morning, with eyes all red

I'll miss them for all the tears they shed

Refrain:

Middle (high in harmony) But I'm actually good (**low/alt:** actually good, can't help it if we're)

Can't help it if we're tilted

I'm actually good

Can't help it if we-e-e

I'm actually good

Can't help it if we're tilted

I'm actually good

All: Can't help it if we're tilte-e-ed

As intro, middle: mmm-mm

Verse 2:

Middle/low (alt: in harmony)

I miss pro-thoos and mended souls (**high:** echo)

Trample over beauty while singing their thoughts

(High/alt in harmony) I match them with my euphoria

When they said, "je suis plus folle que toi"

Refrain

Rap (Margot) (**choir:** mmmmm)

Breakdown:

Middle/alt (High/low, in harmony)

I'm doing my face

With magic marker

I'm in my right place

Don't be a downer

Middle: (**low:** actually good, can't help it if we're)

I'm actually good

Can't help it if we're tilted

I'm actually good

Can't help it if we

High: actually good, oh, oh, oh
